

PASSIONPRO

A photograph of three diverse women smiling and posing together. The woman on the left has her hair in two buns and is wearing a bright green top. The woman in the middle has braided hair and is wearing a blue top. The woman on the right has long blonde hair and is wearing a pink top. They are all smiling and looking towards the camera. The background is a light blue color with a large, irregular purple shape behind them.

HYDRATING
PVEP01

ESSENTIAL PRO VITAMIN ENRICHED PRIMER

Glow starts here. This primer hydrates and nourishes with Shea Butter, Vitamins C & E, and Aloe Extract. Its lightweight, non-greasy formula smooths skin, preps your base, and delivers a lasting, natural glow — perfect for daily wear or full glam.

Net: 29ml

GLOW GETTER SETTING SPRAY

Set your look and glow all day. This Aloe Vera-infused spray hydrates, refreshes, and locks makeup in place for a flawless, glowy look.

Net: 100ml

GLOW FINISH
SETTING SPRAY
PPS101

PORE COVER
PCP01

ESSENTIAL PRO PORE COVER PRIMER

Smooth, shine-free skin made easy. This lightweight primer blurs pores, controls oil, and extends makeup wear — infused with Olive Extract to nourish while perfecting. The result: a fresh, soft-focus finish that lasts all day.

Net: 29ml

MATTE PORE MINIMISING PRIMER

Get flawless, shine-free skin with this lightweight, non-greasy primer. It blurs pores, smooths texture, and creates a natural matte, air-brushed finish that lasts all day.

Net: 30ml

PRIMER MATTE
PPP101

DEWY PORE MINIMISING PRIMER

This lightweight, skincare-infused primer hydrates with Hyaluronic Acid, brightens with Vitamin C, and blurs pores for a smooth, radiant, dewy finish that lasts all day.

Net: 30ml

PRIMER DEWY
PPP102

TOTAL COVER CONCEALER

This versatile concealer delivers smooth, buildable coverage with a radiant finish. It blends easily and lasts all day — perfect for concealing, priming, bronzing, or highlighting.

DOUBLE SIDED FSU PERMANENT SOLUTION

Attract attention and boost visibility with our eye-catching Free Standing Unit (FSU) display. Strategically placed in high-traffic areas, this FSU is designed to showcase our latest products and promotions in a compact, accessible format.

Features

Bold branding with vibrant, full-colour graphics

Durable construction to withstand foot traffic and handling

Modular shelving to accommodate a variety of product sizes

Easy assembly and repositioning for flexible store layout integration

Integrated led light strips

Purpose

Maximize shopper engagement, encourage impulse purchases, and create a standout focal point that draws customers directly to the featured merchandise.

Perfect for seasonal campaigns, product launches, or limited-time offers.

W:975MM
H:1650MM
D:505MM

WALL BAY PERMANENT SOLUTION

Our Wall Bay Unit offers a clean, organized, and visually impactful solution for in-store product presentation. Designed to optimize vertical space along store walls, this unit combines functionality with strong brand presence.

Features

Sleek, space-efficient design for seamless integration into store walls

Adjustable shelving to accommodate various product heights and formats

High-visibility branding panels and header space for promotional messaging

Durable materials built for long-term, high-traffic retail environments

Purpose

Ideal for core range displays, brand blocks, or category navigation, the Wall Bay Unit helps guide shopper flow, improve product findability, and enhance the overall in-store experience.

AISLE CLADDING PERMANENT SOLUTION

Aisle cladding is an innovative merchandising solution designed to enhance the visual appeal, organization and brand communication within retail environments. By transforming standard aisle structures into branded, functional display surfaces, aisle cladding maximizes the use of existing store fixtures to create a more engaging and cohesive shopping experience.

Features

Reinforces brand identity and messaging throughout the store.

Helps customers easily locate product categories or promotional zones.

Turns unused fixture surfaces into valuable marketing real estate.

Panels can be modular, removable, or adjustable to suit store layouts and seasonal campaigns.

Upgrades the overall store aesthetic for a more modern and inviting environment.

Whether used for category branding, promotional zones, or visual storytelling, aisle cladding offers a cost-effective way to elevate in-store presentation, strengthen shopper engagement, and drive purchase decisions.
